EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel claims 1-5 and 7.

This application is in condition for allowance except for the presence of claims 1-5 and 7 directed to inventions non-elected without traverse. Accordingly, claims 1-5 and 7 have been cancelled.

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or render obvious the overall claimed invention of a system for securing a graft ligament in a first bone tunnel, the system comprising: a flexible member being configurable into a generally U-shaped with a first and second closed loops being thereby positionable adjacent each other and aligned with each other in the first bone tunnel; and a delivery device having an end or releasably and simultaneously supporting the first and second loops of the flexible member in adjacency and in alignment with each other in combination with other limitations of the device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
